

-
- Topographic map showing contour lines, a red dashed line, and various colored polygons. A red circle highlights a building labeled "STATION". Labels include VE_8, MT_4, PP_17, SR_13, and SR_12.

-
- The map shows a topographic representation of a region with several towns and geographical features. Key locations include Andristo, FedeGOLO, and Novelle. A red circle is drawn around a specific point on the map, which is the subject of the investigation. The map also features contour lines, a grid system, and various colored lines (red, green, blue, black) that likely represent different types of terrain or boundaries. The text 'FedeGOLO' is prominently displayed in the center of the map.
