

The technical drawing shows a side view of the Lichte ENEL cabinet. The overall width is 920 mm and the height is 250 mm. The cabinet is divided into three main sections by vertical dashed lines labeled 1, 2, and 3 at the top. Section 1 contains a 'Locate Utensili' drawer unit with two drawers, each labeled 'UTENSILI'. A red arrow points from the 'Locate Utensili' label to the drawer unit. Section 2 contains a 'Locate Utensili' drawer unit with two drawers, each labeled 'UTENSILI'. A red arrow points from the 'Locate Utensili' label to the drawer unit. Section 3 contains a 'Locate ENEL' section. A red arrow points from the 'Locate ENEL' label to the section. The top of the cabinet has a series of curved lines indicating a lid or cover. The bottom of the cabinet has a series of curved lines indicating a base or feet.

The architectural site plan, titled 'Inquadramento', depicts a building complex. A dashed orange line delineates the site's boundary. The building features a large central hall, a kitchen, and a dining area. A dashed black line highlights a specific section of the building. A compass rose in the upper left corner shows North (N) and South (S). A scale bar is located in the bottom right corner.
